

AgReserves, Inc.

Position: **Facilities Unit Manager**

Location(s): This position will be based out of the Berberian Nut Company processing plant in Chico, CA.

Company Profile: AgReserves, Inc. is a multi-national, multi-corporate company that operates investment farms and ranches throughout the world. The Permanent Plantings Division, one of the company's business units, includes (among other operations): Almonds and Pistachios in Wasco, CA; Walnuts and Prunes in Chico, CA.

Description: Reporting to the Plant Manager, this position directly supervises the pest control and fumigation team to ensure the grounds and buildings are clean and free from pests and fumigation regulations are met. This position also assists with capital projects related to the equipment at the huller and sheller. This position oversees the shop tools, spare parts, preventative maintenance and works directly with vendors. The focus of this position is on the functionality and fabrication projects needed throughout the year while maintaining our facility appearance.

Required Qualifications:

- Bachelor's degree in applicable field or 10+ years' experience in engineering, design, fabrication, welding, and mechanical required.
- A valid CA driver's license and the ability to pass safe forklift and aerial lift operator certification tests.
- This position requires the ability to pass a criminal background check and the ability to obtain the necessary fumigation license within one year of employment.
- Thorough understanding of electrical (120V, 220V, 480V), pneumatic, hydraulic, water, and gas systems.
- Extensive fabrication and welding knowledge and skills.
- Knowledge and experience using hand and power tools.
- Excellent communication, interpersonal, problem solving and organizational skills.
- Experience in managing people and working well with others as well as ability to self-motivate and work alone.
- Demonstrated ability to motivate team members and a desire for excellence.

- Ability to work long hours, weekends, and holidays.
- A proactive and self-starter attitude.

Preferred Qualifications:

- Certified Welding Fabricator (CWF) certification or equivalent experience.
- Bilingual (English / Spanish).

Supervisory Responsibilities:

- Maintenance Mechanics
- Maintenance Technicians
- Processing Lead
- Forklift Operator

Salary/Benefits: Salary is commensurate with experience. Full-time employees receive excellent benefits including: Medical, Dental, Group Term Life, Disability, Retirement Savings Programs (401k and Retirement Plus Plan), Flex-Spending, and other value-added benefits.

To Apply: Please send your resume via email to careers.bnc@bncnut.com with the job title "Facilities Unit Manager" in the subject line. Applications will also be accepted at the front desk with reception.
