

Position:	Senior Controller	Position Status:	Full-Time, Exempt
Location:	Satanta, KS	Posting Date:	August 29, 2017

Company Profile:

AgReserves, Inc. is a multi-national, multi-corporate company that operates investment farms and ranches throughout the world. This position is located at Deseret Cattle Feeders (DCF) near Satanta, KS which operates a 45,000 head cow capacity feedlot. DCF is dedicated to producing and marketing the highest quality beef cattle, while providing meaningful work and growth opportunities for its employees.

Purpose of Position:

The Senior Controller for Central Ranches serves as a member of the senior management team overseeing finance for all cattle operations in Texas, Oklahoma, Kansas, and Nebraska, as well as the dairy operation in central Utah. The individual in this position helps the local business, division and company drive toward world-class results by maintaining reliable processes and controls, providing and enabling sound analyses to enable sound decisions, informing the corporate conscience, and facilitating a learning organization. Additionally the Senior Controller supports local and division strategic objectives while maintaining and supporting company-wide finance initiatives, systems, standards, and controls. This position reports to the Division Controller.

Essential Functions:

- ✓ Serves as effective management team member to provide sound analysis for strategic and financial decisions and recommendations.
- ✓ Manage accounting processes and systems to produce timely, accurate, relevant reporting as required for routine corporate, regulatory, and managerial needs.
- ✓ Ensure business unit compliance with legal requirements, company policies, and accounting standards.
- ✓ Provide accountability loop reporting to evaluate performance of business unit investments against targets.
- ✓ Manage finance staff to achieve expectations and actively encourage their personal development and training.
- ✓ Improve upon and maintain appropriate and functioning controls and systems to safeguard assets and to detect, communicate, and mitigate risks.

Skills & Education Requirements:

- ✓ B.S. in Accounting or related degree required; MAcc, MBA, CPA, CMA preferred.
- ✓ 6-8 years' experience in accounting, public accounting (audit) experience helpful.
- ✓ Working understanding of US GAAP (IFRS helpful), cost accounting, tax and SOX principles and laws.
- ✓ Knowledge of and experience with payroll and HR issues.
- ✓ High competency and aptitude with software packages, including accounting software, spreadsheets, reporting tools, relational databases, word processing, email, and internet.
- ✓ Excellent communication skills; both written and oral. Spanish language skill a plus.
- ✓ Team mentality, service oriented, performance driven, analytical, strategic thinker, high ethics, and demonstrated ability to innovate and be a change agent.
- ✓ Demonstrated ability to supervise others effectively.

Pay & Benefits:

Salary is commensurate with experience. Full-time employees receive excellent benefits including: Medical, Dental, Group Term Life, Disability, Pension Plan Plus (401k and Pension Benefits), Flex-Spending, and other miscellaneous value-added benefits.
